**If paying Online**, We have a new system for online payment. Visit [www.ntet.co.uk/sac/events.htm](http://www.ntet.co.uk/sac/events.htm) and follow the instructions to make an online purchase.

Please include your membership number when filling out your details at checkout.

This driving day provides lunch on the Saturday and Breakfast (cooked on a shovel) on Sunday.

Please advise us if you have any dietary requirements.

If the Steam Apprentice requires adjustments or adaptations to undertake activity, or has any special requirements, please describe below:

Driving days are one of the most important things we do, which is getting you on engines. We hope you will look at going to the one nearest to you to learn more about looking after an engine, steering and driving. When you go to these events you are of course representing the club. We want you to enjoy your day and be safe, so therefore please pay attention to what your instructor tells you at all times and be on good behaviour. In your invitation letter there are words that the organiser 'has the final say' on all matters and that would include removing you from an engine if deemed necessary. Also, if you have a 'health issue' that you think might affect the way you can work on an engine please do still apply, letting Danni know what it is, and she will contact the organiser of your event to make sure this causes no problems.

**I have read and understood all of the above**

Signed.....

If you are under 18, please ask your Parent/Guardian to sign below.

Important Notice to Parents.

The NTET has a Child Protection Policy and would never knowingly put a child at risk. The SAC could not run the driving days without the help of a large number of volunteers. Please note it is not practicable for the NTET to check all helpers. You are welcome to talk to the volunteers and are welcome to stay and observe. If you chose not to we will assume that you are satisfied that your child is safe.

Please can parents/guardians also inform us on the application of any particular support needs your child may require, so that event organizers can make reasonable efforts to accommodate them.

I have read the Notice to Parents and agree to my son/daughter taking part in the driving day as detailed

Signature of Parent/Guardian .....

*When your application has been received you will be sent confirmation by email.*

**This is not confirmation of acceptance on the driving day.**

*Confirmation or rejection of places will be sent at a later date.*

*For those accepted, instructions will be sent two weeks before event.*

GDPR: This form should be sent directly to the BSEPS (address above). The information you provide will be handled by the BSEPS and your data will be kept for the purpose of running the 2023 Driving day.
