THE NATIONAL TRACTION ENGINE TRUST

The National Traction Engine Trust (NTET) represents owners and enthusiasts alike and is pleased to be regarded as the World's Premier Steam Traction Preservation Organisation.

Membership is open to anyone who wishes to join - you do not need to be an owner or driver of an engine. There are single, joint and family membership subscriptions, which ensure our work can continue and also provides good value for money by way of "Steaming" magazine and a growing selection of member benefits.

For Under 21s the Trust also has an active junior membership known as the Steam Apprentice Club.

Membership of the NTET is an annual subscription, available as individual memberships, joint memberships and a choice of family memberships to suit you.

Join on-line at
www.ntet.co.uk/joining

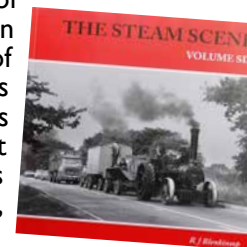

For more information about joining
see our website, or write to:

Membership Secretary,
c/o Lynden Lea, Lydham,
Bishops Castle, Shropshire. SY9 5HB
or e-mail: membership@ntet.co.uk

NTET SHOP

The books, DVD's and other items of interest available from the Sales Section provide an economical source of material to traction engine enthusiasts and help to boost Trust funds. Items in the current listing include recent book releases, reprints of books and manufacturers catalogues, DVDs, badges and all types of memorabilia.

All the information in this leaflet is given in good faith but users are advised to check before making long journeys. The organisers of all these events have undertaken to conduct them in accordance with the recommendations contained in the NTET's Code of Practice for Steam Traction Engine Events. This code is designed to promote the interests of the rally organisers and the public, and particularly, furthering all aspects of safety for visitors and participants alike.
